LET'S DO THIS TOGETHER!

- holiday duration set
- holiday purpose set
- commitments scheduled
- activities I enjoy scheduled
- training time scheduled
- yes, I also left time for the unexpected

My holidays start on December 21st and end on January 4th.

During my holidays I want more family time and time for my hobbies.

My holidays will be successful if I will have quality time with my family, fun with my hobbies and if I will feel recharged and inspired by the end.

The activities I enjoy are reading, knitting, baking, going for long walks in nature with my dog and watching ballet.
